

Pink Elephant

BEER COOLER

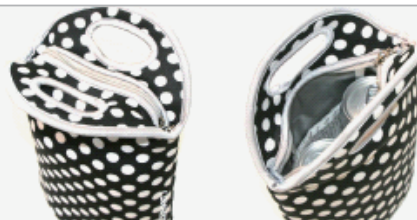

ビア・クーラー

Powerful cooling effect

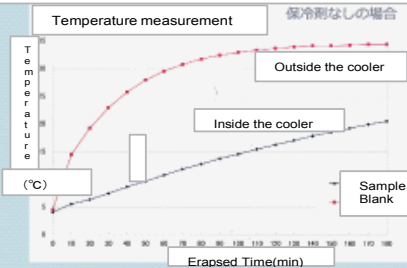

Freezer pack pocket included with a powerful freezer pack.(Made in Japan)

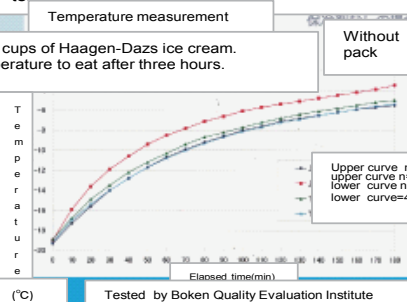

Zipper keeps the bag airtight!

Temperature readings of the plastic bottle at room temperature 35°C.

Temperature readings of the Ice Cream at room temperature 33°C

Tested With 4 cups of Haagen-Dazs ice cream. The best temperature to eat after three hours.

Without a freezer pack

The cooler bag is made of wetsuit material and the thermal insulation material is very high quality.

Holds three 350ml bottles or two 500ml bottles and keeps ice cream frozen for about three hours. (When the temperature at 33 degrees and without an ice pack, even after three hours the ice cream temperature only rises from -19 degrees to -5 degrees.)

This lunch cooler can be used to suit your ideas. At the mountain top, on a trip or at the beach, it keeps not only cool beer, but also cool drinks or even for storing cosmetics.

Now, what would you like to keep cool to go out?

For use with baby products, it exceeds approved safety standards.

(The level of formaldehyde content in our products meets the safety standards for baby products regulated by the Ministry of Health and Welfare, Act number 34, acetylacetone)

Insulates by the 4 layer structure.

The seam on the black and pink type is colorful!

Safety standards for baby products approved.

(The level of formaldehyde content in our products meets the safety standards for baby products regulated by the Ministry of Health and Welfare, Act number 34, acetylacetone method.)
