

# EASY RUSH PANTS

Easy, slimming and long legged appearance with UV and chafing protection pants

- ★ This pair of pants uses the same material with a built in chafing guard! It shields your skin from a harmful rays of the sun. (the UV protection level is the maximum UPF50+ )
- ★ It has stretchable and quick-drying materials. You can enjoy active sports such as diving, swimming, running, tennis and hiking.
- ★ Both ends of the belt are cut to ease the pressure on the waist, this is designed into the part of waistband. You don't feel any abdominal discomfort pressure even if you wear it all day!
- ★ The length of the pants is a little bit long so you can wear these pants with wrinkled bottom. The ankle-length gives you that slim and long legged look.
